Washington, D.C. 20231

Sir:

Submitted herewith on a PTO-1449 form is a listing of the documents known to applicant in order to comply with applicant's duty of disclosure pursuant to 37 C.F.R. § 1.56. Copies of the listed documents are also being submitted herewith to comply with the provisions of 37 C.F.R. § 1.98, with copies of English translations of non-English language references or of the pertinent portions thereof, if such translations are readily available. If applicable, English copies of foreign search reports citing at least some of the documents herein listed on PTO-1449 are also enclosed.

For each non-English language document listed on the attached PTO-1449 but not cited on the foreign search reports, there is provided either (1) an English translation of the document or relevant portion(s) thereof or (2) a concise explanation, hereinbelow, of the relevance of the document.

The submission of any document which is not a statutory bar is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.
